## CAREER OBJECTIVE:

Experienced Full Stack Developer proficient in HTML, CSS, Bootstrap, JavaScript, React JS, Redux, Node JS, Express JS, and MongoDB. Skilled in frontend and backend development, with a track record of building robust web applications. Seeking opportunities to apply expertise in innovative projects.

## PROFESSIONAL SUMMARY:

Currently employed as a Frontend Developer at LG Soft India since May 2024, responsible for maintaining existing projects, modifying UI designs, and deploying updates. Strong problem-solving skills and a passion for learning and adapting to new technologies drive my commitment to delivering high-quality web applications.

Experienced Frontend Developer with a diverse background in HTML, CSS, Bootstrap, JavaScript, React JS, Redux, Node JS, and MongoDB. Possess 8 months of internship experience at Cybotrix Technologies, where I developed expertise in frontend technologies and contributed to a multi-vendor e-commerce website application.

## SOFTWARE SKILLS:

- ◆ Languages : HTML, CSS, JavaScript, React JS, Redux, Node JS
- ◆ Frameworks : Bootstrap, Express JS
- ◆ Databases : MongoDB
- ◆ Tools : Visual Studio Code

## PROFESSIONAL WORK EXPERIENCE:

### Frontend Developer

**LG Soft India, [Bangalore]**

*May 2024 – Present*

#### Responsibilities:

- ✓ At LG Soft India, I am responsible for maintaining and enhancing existing projects.
- ✓ Implemented efficient data retrieval mechanisms through API query filtering, optimizing data display and performance on web pages.
- ✓ Integrated input search filters on web pages to enable dynamic and real-time data filtering, enhancing user interaction and data accessibility.
- ✓ Deployed code in real-time environments, ensuring seamless functionality and performance of web applications while maintaining high-quality standards.

## Frontend Developer (Intern).

Cybotrix Technologies, [ Bangalore ]

Oct 2023 – May 2024

**Project** : Multi-Vendor E-Commerce Website Application

**Technologies** : HTML, CSS, Bootstrap, JavaScript, React JS.

**Role:** Frontend Developer

### Responsibilities:

- ✓ Designed and developed the user interface using React and Bootstrap.
- ✓ Added dynamic functionality using JavaScript to enhance user interactions.
- ✓ Integrated secure user authentication and authorization features.
- ✓ Conducted code reviews and provided constructive feedback to maintain code quality.

### Project Highlights:

- ❖ Developed custom product filtering and search features.
- ❖ Achieved fast page load times and a responsive design for all devices.

## EDUCATIONAL DETAILS:

- Bachelor of Technology in Electronics and Communication Engineering (ECE) Sri Venkateswara Institute of Science and Technology [Kadapa], affiliated with Jawaharlal Nehru Technological University, Anantapur (2019 - 2023).
- Board of Intermediate Education Sri Hari Junior College, Kadapa (2017 - 2019).
- S.S.C (Secondary School Certificate) S.V.R High School, Kadapa (2016 - 2017).

## DECLARATION:

I am dedicated to applying my skills and experience towards the successful completion of development projects within your organization.
